

TRANSLATION OF EH.519, WAS DIE WELT DEUTSCHLAND VERDANKT

OBVERSE:

**WHAT THE WORLD
OWES TO GERMANY:**

Since 1 September 1939 German bombs have killed men, women, and children in 11 countries: Poland, Norway, Holland, Belgium, France, Great Britain, Ireland, Yugoslavia, Greece, Egypt, and Russia.

That is what the world owes to this Hitlerite Germany and to the men behind the War Machine.

Now Germany is beginning to feel that total war, which Hitler invented and begun.

That YOU now have to suffer,

**THAT YOU OWE TO
YOUR FÜHRER!**

REVERSE:

**Total War Against Weaker Nations
Did Not Hurt You!**

+ **WARSAW** + **ROTTERDAM** + **BELGRADE** +

but

WE HIT BACK!

CHURCHILL declared on the 14 July 1941, that from now on the RAF will bomb docks, industries and other military objectives in Germany on an ever increasing scale, "month by month, year by year, until the Nazi Regime has either been extirpated by us or – better still – torn to pieces by the German people themselves".
